PRAYER FOR A PARISH IN WAR TIME

Now; by the Depth, beneath each difference
Now, by the Height, above each aspiration,
Pardon the stubborn pride, the vain pretense,
That we could know thy will for church of nation.

Thou, whom we hail still as the Prince of Peace,
Help us to know what that should mean today,
Strengthen our faith, that one day wars shall cease,
Help us to live the peace for which we pray.

Though we who here before thine altar bow,
Must work against each other for one end,
Break not the bond! O, Master teach us how
To hold each loyalty and every friend.

COLLECT

Almighty God, who showest to them that are in error the light of thy truth, to the intent that they may return into the way of righteousness; Grant unto all those who are admitted into the fellowship of Christ's Religion, that they may avoid those things that are contrary to their profession, and follow all such things as are agreeable to the same; through our Lord Jesus Christ. Amen.

IN THE MAIL BAG -

Miss Whitney, Tacoma 3, Washington....During all the years I worked with the Japanese I tried to emphasize fact that racial differences and prejudices with NEVER be overcome but in ONE way--according to Kipling "East is East and West is West and never the twains can meet"---EXCEPT at the foot of the Cross of Christ. With Him there is "neither Jew nor Greek bond nor free," but we are all one in Christ Jesus the Lord.....Americanism is an IDEAL---found only in the teachings of the BIBLE--that is the sole and only reason for an America---if the people who come to us from across the waters (BOTH WATERS--East and West alike) refuse to accept Christ as their saviour and the teachings as the rule of their conduct, then America will lose her glory and power and become only one of the forgotten nations of the world.....White or black--brown or yellow are equally acceptable of they accept our standards and prove their sincerity and worth and will work with us in conserving the greatness and merit of our ideals. "Righteousness exalteth a nation, but sin is a reproach to any people."--(Prov. 14-34) and when we return unto the Lord He will heal our land.

Grace Hagiwara, Sm. Smith College, Geneva, New York... We are all fine up here(Joe Shoji, Florence Inazawa, & Ruth Tahara). A few days ago Ruthie had a birthday party-Flo, Joe, Taro, Lucille Tuniolo and I were invited over to the Bancroft's and we had a marvelous time. Really! Ruthie received a box full of gifts she was very happy...I visited with Marilyn Stadler in Syracuse over the Easter week-end she is also of Sill House (Phi Beta, senior, going to Smith College next year). We had a marvelous time! I attended the Catholic Church with the whole Stadler family Easter morning-it was an enormous cathedral. It was a lovely service. Please give my best regards to all.

Nana Tomita, Friends University, Wichita, Kansas..Life drags on as usual and It's lots of fun. I've seen Tommy and Al quite often now and you've probably seen Tommy back at camp.....This last weekend I attended a

conference at bethel College,a small Mennonite School, about 30 miles from Wichita. Now the conference I attended. It was wonderful. Never before in my awful life have I sat through so many lectures and actually enjoyed them. The main speaker was Herb King, a colored Y. M. travelling secretary. He is simply marvelous Golly did he tell the so called Anglo Saxons off, and make them like it. He is so natural and relaxed. I've laughed over the craziest things and he told me not to close my minds so much to boys of other races..... Only six more weeks of school before vacation begins. Exams are going to drive me wild so I guess there isn't much to worry about since I will be put away quietly in a padded cell. My lessons are rather neglected at times but it can't be helped since time and Iare having time getting together.

Sgt. Harry Kataoka, Camp Maxey, Texas....How is everything in the camp these days? For the past several days, we've enjoyed comparatively lovely weatherand all indications point towards the heralding of a belated Spring. It's still a little brisk but quite unlike the rainy session preceding this weather.

Mrs. Aida Somekawa Kozu, Cincinnati 29, Ohio...The Minidoka Churchman has been arriving in the mail quite regularly and is already read with much interest.News from "home" is always welcome, you know. I have been out here in Cincinnati about eight months and already, feel like a native Ohio-an, though I must say the weather still has me guessing. But aside from the unpredictable weather, I like it here very much. I am working as secretary to the minister of the Seventh Presbyterian Church, one of the outstanding churches of the city. The work is very interesting and the people have been wonderful to me.

Camp Shelby, Miss. 232nd Engineers, Pvt. Willie Tahara Today the Episcopal boys are being invited to an afternoon party at the U. S. O. by Father Morgan of Hatties burg, Miss and so I am in the Soldiers Service Center, penning this letter waiting for the time to come..... Faces are sure different for I only see Eddie Sato and Mike Hagiwara of whom I know and the rest unknown. As soon as I get to the party I guess I'll know some of the rest.
